ON Sunday 6 July 86 AT Approx 1:33AM This officer was dispatched to 418 W. Cornell St. in Avon Park in Ret. to a shooting and was advised by the dispatcher that this call originated through the Sheriff's Office. By an unidentified caller arriving at the above address this officer trained the spotlight on the front of the residence to identify the house numbers and proceeded to the front door. Ptl. Robert Padgett arrived and proceeded to the rear of the residence. As this officer knocked on the door. As the door opened this officer saw a B/M later identified as Jerry Fogel (same person who opened the door) wearing only briefs (underwear) and holding a lever action rifle in both hands in somewhat of a port arm position. Fogel was acting very strange and asked where his brother was. Ptl. Padgett, who observed fogel through a window on the side of the house, called to me that fogel had a gun as this officer stepped

At 0128 I received a call requesting and ambulance be sent to 418 W. Cornell. I asked the caller to identify himself, and he replied "Just send an ambulance to 418 W. Cornell, some one has been shot." The caller then hung up. The caller was a black person with a soft velvety voice. I believe the caller was male. I then called EMS A-3 and advised them of this call. APPD was then notified. Approximately ten minutes later an unidentified black male called this office and asked for Collis Fogle. I advised him that Mr. Fogle was not on duty and I did not know how to reach him.
